The news as received in London leaves the world completely in the dark as to the doings or whereabouts of Leaut. Shackleton and his immediate party. If they have carried out their program they now are ptesumably at the Ross sea buse, but without the expected ship to take them off.

King is Gravely Concerned.

Even if Shackleton has been upsuccessful in the attempt to cross the pole and has had to retrace his steps to the Widdel sea hase, thence to return to Bueness Aires, the relief expedition will have to be reorganized to effect the rescue of Lieut. Asneas Machatosh, R. N. R., in command of the Aurora, and a number of his companions who were left on shore at Ross sea when the Aurora broke from her moorings. The great question is, will the stores which the men possessed, be sufficient to sustain the lives of the party for a year? The information contained in the message received at London was at once communicated to Sing George, who bresented Lieut Shackle-ton with and who has taken great interest in Shackleton's task. The news caused grave consternation moons the relatives and friends of the explorers.

brought in a verdict of not guilty late Friday afternoon. Lee is still under indistance for the murder of Fred Von Louis and will be tried on this charge some time during the May term.

The state rested in the case Friday and, when court reconvenied in the afternoon the defence announced that it had no witnesses to put on and rested. Arguments were concluded during the afternoon and shortly before 5 oclock the case went to the jury.

Two Found Dead.

Mrs. Lee and Fred Von Lonke were found dead in separate rooms at 1006 Texas street early in the morning of March 4. At the same time Lee surrendered to the police, declaring, according to several witnesses, that he had killed a man. When he surrendered he turned in a 25 cultber pistoh. A plated of the same caliber was found near the body of Von Doake after his death. In both bodies were two builts wounds.

It is probable that an effort will be made to secure the release of Lee from the county juil under bond.
